CERTIFICATE

that

Ценкерт Юлия Михайловна

has completed **“Toothbrushing modes and techniques”**
session of **iTOP** education.

iTOP is a professionally tutored Education–and–Motivation–Program.
Empowered and controlled by Dental Professionals, it enables an instructed and a
regularly recalled patient to achieve and to maintain lifelong tooth preservation.

iTOP Level 1 and 2 enables Dental Professionals to support patients with theoretical
instructions, leading to extraordinary Oral Health Care compliance.

iTOP Level 3 enables Dental Professionals to
perform practical educational sessions on **touch2teach** mode.

iTOP Level 4 enables Dental Professionals to achieve a highest
qualification level in order to teach both theoretical and practical parts of **iTOP** sessions,
following the highest educational standards.
